

You are invited to attend our
**HIGHER EDUCATION
ROUNDTABLE**

Event Description

Recent changes impacting college and university accounting and financial reporting have been significant! You are invited to join other higher education chief financial officers, controllers, executive officers, and audit committee members to better understand the implications for your institution. This is an opportunity to discuss important current issues such as:

- Discount rate
- Debt Policy
- Endowment investment and spending strategy
- Financial statement display

Nick Wallace, our National Director of Higher Education Services, will lead this half-day roundtable and facilitate discussion on the most recent industry developments and pronouncements. You won't want to miss this time with Nick and others in your industry.

Learning Objectives

- Review the latest industry-wide environment update and financial trends
- Understand new accounting standards and disclosures for endowments under the new UPMIFA laws and the FASB Staff Position (FSP) FAS 117-1
- Understand new accounting standards and disclosures for fair value measurements under the new FASB Statement No. 157
- Understand other recent audit and accounting pronouncements
